

Technical Announcement

Delta Electronics, Inc. IABG

Product	ASDA-B2	Applicable Model	B2-F	Security Classification	<input checked="" type="checkbox"/> General <input type="checkbox"/> Confidential <input type="checkbox"/> Highly confidential
				ECN No.	126A-18A028
Issued by	ASD	Author	Chloe Chen	Issue No.	ASD19110700
				Release Date	November 7, 2019
Recipient	Sales Representative (Taiwan), Product Manager (Taiwan), DGC, DEU, DPR, DES, DEK, DEJ, and DIN				

Subject:

Firmware update information for ASDA-B2-F 220V series models.

- Firmware for the B2-F model is upgraded to V1760 sub6563.

Important:

1. This firmware update must be applied with the hardware upgrade, so the firmware release time is subject to the week of hardware production.

1.1 Week of production for Taoyuan plant: W1907

1.2 Week of production for Wujiang plant: W1907

Description:

1. The supported motors are listed as follows.

Model			
ECMC-CW040F□□	ECMC-CW0401□□	ECMC-CW0602□□	ECMC-CW0604□□
